TASTE OF MALTA RAISES \$850 FOR LIBRARY

The Board of Trustees, staff, and patrons of the Round Lake Library wish to express their gratitude to the Malta Business and Professional Association (MBPA) for designating us the recipients of the funds raised at the Taste Of Malta event held at the Hyatt Place in July. The event sizzled with great food, and great conversations.

The funds raised will be used to help us provide a quality library experience for all of our patrons. For instance, we have already purchased two saucer chairs for the teen rooms in each facility. Can't you just picture the teens sprawled out in them! The \$850 that was raised will also allow us to purchase an LCD projector which can be attached to laptops or to our computers to allow business people, students, committees, and all patrons to add visual impact to their presentations.

It is with gratitude that we recognize those individuals and organizations that generously contributed time, services, and funds, as well as those who attended this wonderful event! You have made a difference in your library!

JASMINE NAMED ACTIVE VOLUNTEER BY TDI

The Round Lake Library's resident therapy dog, a seven-year old Dachshund named Jasmine, has achieved "active volunteer" status. Therapy Dogs International (TDI) bestows this status on dogs who complete 50 therapy sessions. Jasmine has been a therapy dog since 2006, visiting nursing homes and senior centers as well as conducting sessions with young readers at the Library.

We are all very proud of the work Jasmine and her owner, Mary Jo Lanahan, do for the community, and we look forward to announcing their 100th session!
