## CELEBRATE YOUR FREEDOM TO READ!

Banned Books Week is an annual event that draws attention to the harms of censorship. It is a celebration of the freedom to read, to express and learn about ideas, even those some consider unorthodox or unpopular.

Even today, there are still efforts to remove or restrict access to books. Books featured in our library displays this week were targeted with restriction or removal from libraries or schools. By maintaining access to these materials, we hope to facilitate an open dialog about the issues and controversies that some wish to censor, and let people make their own choices.

**The Round Lake Library and Malta Branch will be closed  
Saturday, September 2<sup>nd</sup> thru Monday, September 4<sup>th</sup>**

## SEPTEMBER IS LIBRARY CARD SIGN-UP MONTH

A library card has so much more power than simply checking out books. At the library, you can borrow DVDs, audiobook and music CDs, passes to the Hyde Collection Museum, Eco-Explorer Backpacks for kids, and lots more. Through our website, cardholders can borrow e-books and electronic audiobooks, access free language learning software, even download free music tracks that you get to keep!

All you need to get a card is your government-issued photo ID and proof of local address. We do offer temporary cards for visitors and new residents without proof of address. Come to the library to sign up for a card today!

# PROGRAMS IN SEPTEMBER @ YOUR LIBRARY

## PLANNING YOUR SOCIAL SECURITY RETIREMENT STRATEGY

Today's baby boomers can expect to live longer in their retirement years, which is causing a major paradigm shift in how people view and prepare for their retirement. For many retirees and their spouses, taking the time to properly evaluate this important financial decision can be a major step toward a more comfortable retirement. This program seeks to explore retirement from a time perspective as well as the impact of longevity in order to help attendees (ages 55+) make a more informed decision before choosing when to claim their Social Security benefits. Topics covered include recent changes in legislation, why Social Security is crucial to women, avoiding frequent claiming mistakes and the best way to maximize benefits. This workshop is sponsored by Retirement Solutions, LLC and is open to the general public. There is no cost to attend. [Advanced registration is required.](#) Light refreshments will be served.
