June started out as a quiet month but quickly became very busy as school let out and summer reading began. Both the total door count, programs and attendance increased for the month of June. Overall, 47 programs were held, which included scheduled in-person, drop in, and take-home activities.

Summer reading began on June 20th. The theme this year is Color Our World. All ages are encouraged to participate. In addition to many summer programs, the library is running raffles for children, teens and adults. Every day that children read or are read to they can fill in their daily reading log and bring it into the library for a raffle ticket. Adults earn raffle tickets when they return a book they have read. In addition to reading, raffle tickets can be earned by attending programs at the library. As of June 30th, the library has given out 110 summer reading bags to children at both locations.

At the May 13, 2025 board meeting, library trustees approved the 2025-2030 Strategic Plan. The library director has sent a copy to SALS for their files and updated the plan on the library website.

Two library assistants will be leaving the library in early July. A hiring notice has been posted and applications are being received. The library director and Associate director plan to hold interviews in the next few weeks.

On June 4, 2025, the library was closed for staff development day. This a time that all the staff can gather together, discuss issues, go over procedures and learn new things. This year the staff meet with Jill Ryder from SALS and were able to ask questions about anything related to Polaris/LEAP. Staff also got to see how the new Children's Non-fiction will work and how the committee broke down the process to categorize the books. Discussions were also held on making changes to certain workflows to make processes easier.

Jennifer Hurd, Director
