Do you like surprises? Would you like help deciding what to read next? Find you easily get distracted by cover art? Let us take away the trouble of a decision and set you up with one of our friends! Go on a blind date with a book in February at the Round Lake Library!

Just in time for Valentine's Day, we've selected a number of staff-recommended books and wrapped them up in their Valentine's finest. You won't know the 'identity' of your blind date till you get it home.

Will it be fiction or non-fiction? Funny, informative, a mystery, quirky, true-crime? You may choose any wrapped book in our "Blind Date with a Book" display.

When you're done reading it, let us know how your date went. Fill out a review (available at both branches) and be entered to win a prize at the end of the month!
