## MUSIC FOR KIDS

Let's build a relationship with music and language. Through music and rhythm we can improve speech, begin to learn language skills, and gain confidence in ourselves and with the world around us.

This program, for children and their caregivers, is designed to help build all of these skills through exploration of music, percussion, finger play, singing, dancing and having fun.

The rolling program will combine well known songs, new tunes, foreign languages and fun for all.

Please register for each week you will be attending so that we can have enough supplies ready!
