For ages 4-10 (under 8 must be accompanied by an adult)

@Both Branches

This program is sponsored by the Malta League of Arts as part of the Plein Air Festival on September 14<sup>th</sup> and 15<sup>th</sup>.

## CELEBRATE YOUR FREEDOM TO READ!

Banned Book Week is an annual event that draws attention to the harms of censorship. It is a celebration of the freedom to read, to express and learn about ideas, even those some consider unorthodox or unpopular.

Even today, there are still efforts to remove or restrict access to books. Books featured in our library displays this week were targeted with restriction or removal from libraries or schools. By maintaining access to these materials, we hope to facilitate an open dialog about the issues and controversies that some wish to censor, and let people make their own choices.
