SUMMER READING

Summer is here, and that means summer reading!

This year's theme is Build a Better World. Join us for programs about technology, engineering, art, nature, upcycling and rubber duckies!

Kids can sign up for summer reading and fill out a reading log to earn bricks to build a city at the library. Check out pages 3 & 4 for programs, like Sculpture with the Tang Museum and Rubber Duck Races.

Teens can register for summer reading, and earn one entry into a raffle for prizes like food, gift cards and cool prizes. There are also lots of programs on page 5, and movies on page 6.

Adults can get in on the fun and prizes, too. Each book read (ebooks and audiobooks count) gets you an entry in our adult raffle, for things like a Kindle Fire, an Epson Printer, Death Wish Coffee, or restaurant gift certificates.

MALTA HISTORIC DISPLAY

Currently on display in the Malta Branch are items from the Iroquois Indian Museum, Howes Cave, NY. The Museum celebrates the culture of the "People of the Long House" who lived in the Mohawk valley and visited our area annually to hunt and fish.

The display which will be in the Library until mid-July will be followed by one from the New York State Military Museum in Saratoga Springs about the life of Elmer Ellsworth. Ellsworth, who was born in Malta and became a friend of the Lincoln family, was the first union officer to die in the Civil War.
